

In terms of main rights, punishments for direct infringement of Patent Rights, Design Rights, Trademark Rights, and Copyrights are the same. Utility Model Rights Infringement is slightly different from them.

Speaking of arrests, are all punishments for Intellectual Property infringement the same in Japan?

Because I feel like I've been arrested....

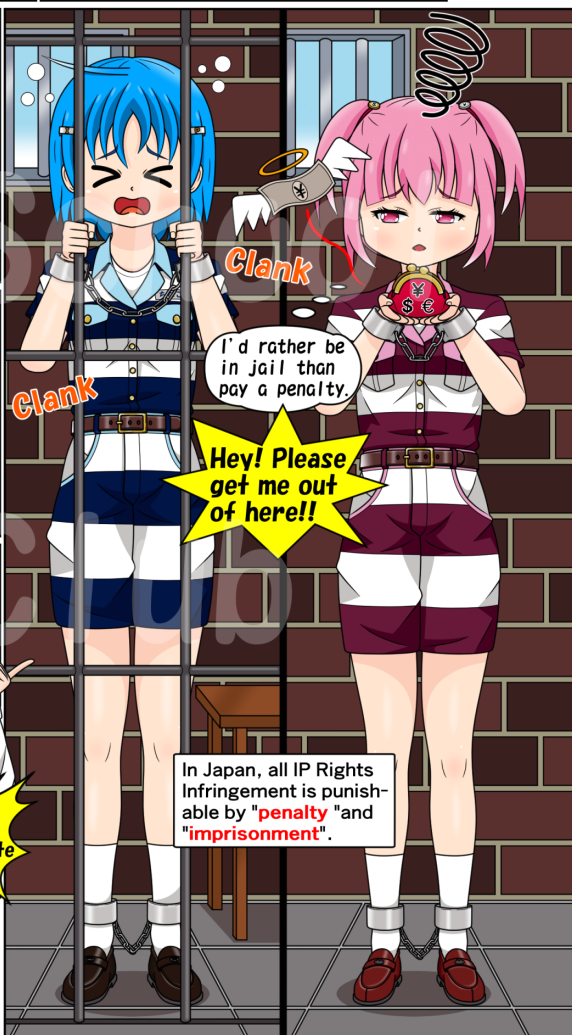

Even if you say that... I'm not happy.  
You look good in prison uniform. It was designed by me for this manga event ❤️

Punishments for IP Infringement in Japan

But do Japanese prison uniforms have such cute designs?

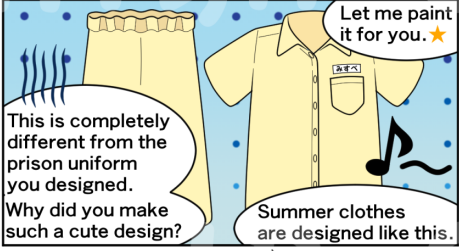

The clothes that inmates usually wear in prison are called *Shabougi*.

I'd rather be in jail than pay a penalty.

**Hey! Please get me out of here!!**

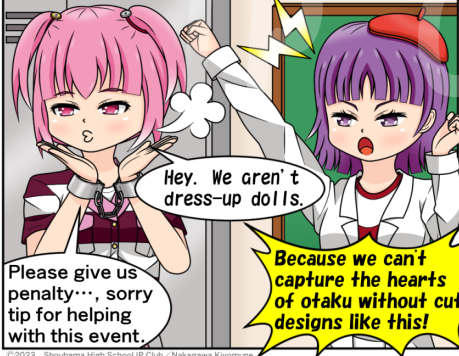

In Japan, all IP Rights Infringement is punishable by "penalty" and "imprisonment".

This is completely different from the prison uniform you designed. Why did you make such a cute design?

Let me paint it for you.★

Summer clothes are designed like this.

Hey. We aren't dress-up dolls.

Please give us penalty... sorry tip for helping with this event.

**Because we can't capture the hearts of otaku without cute designs like this!**
