

My lovely gift is an idea often used in Japanese manga.

OK! Next, let's wrap the ribbon around the gift.

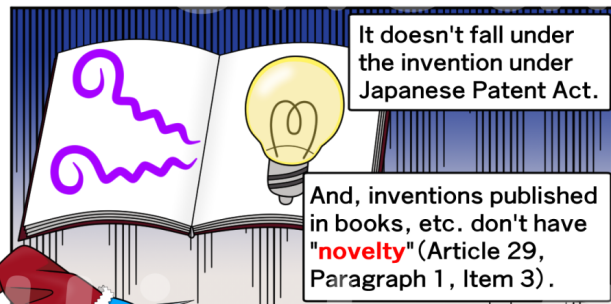

Well, where is the gift?

Of course. First, please change into the Santa Claus costume.

Have you prepared a gift to give Kurika-chan at our Christmas party?

Intellectual properties are by your side. (5)
My gift for you is me. ♥

It doesn't fall under the invention under Japanese Patent Act.

And, inventions published in books, etc. don't have "novelty" (Article 29, Paragraph 1, Item 3).

My gift is this idea...

My gift for you is me. ♥

Squee!

I've finally got the real Chinako!

You should study society widely by reading comics as well as law books.

This brilliant idea will surely please her. I might get a patent on this idea. ★

No problem! Reindeer

I can prepare other gifts with novelty.

I'll get revenge on her for her strange delusion.

Oh-my...

An idea that isn't new cannot be patented. Anyway, I have no other gift for her than this idea.

It's a very rare otaku (nerdy) reindeer ♪

Sorry... Please bring it back to Finland.

Hey! It's my Christmas gift for you!!
