Chinako's IP Life

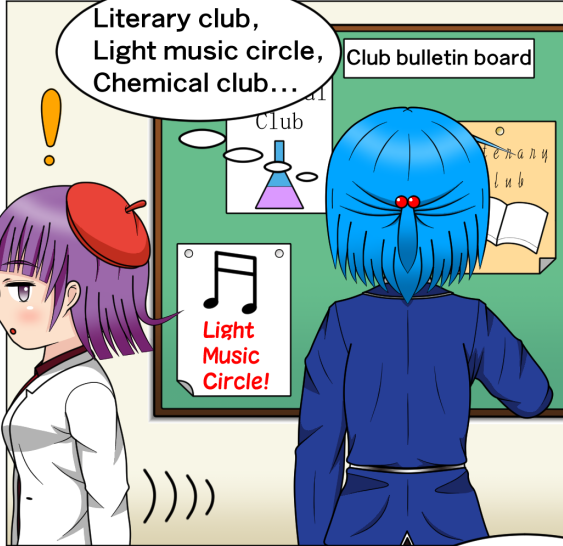

Art 1: Do you know the profession of patent attorney?

Produced by Shouhama High School IP Club (applying)

Well, Which club should I enter?

I've been busy taking the exam last year.

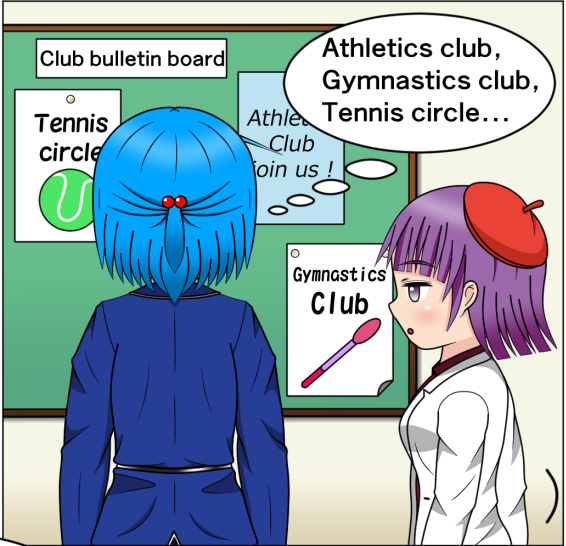

So, I'd like to attend club activities in high school life.

Literary club, Light music circle, Chemical club...

Oh! Misube-chan.

What happened to you, bouncing hair?

Bouncing hair?

Loom

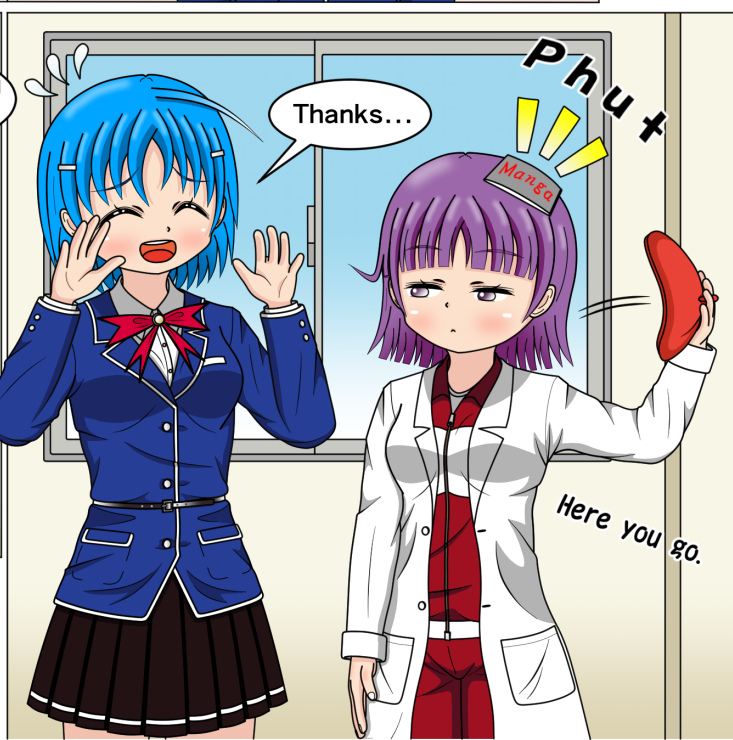

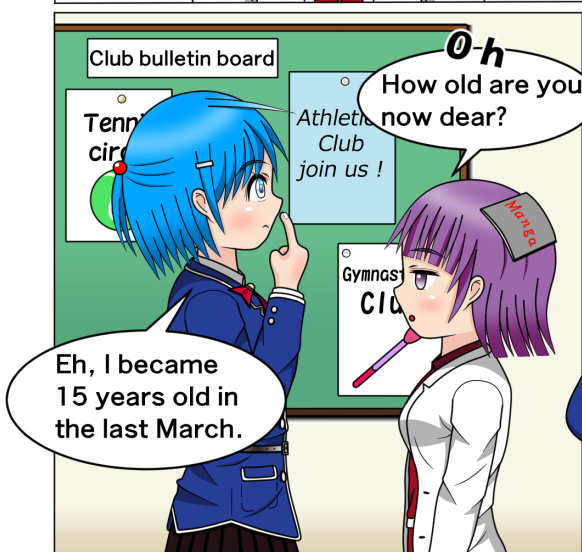

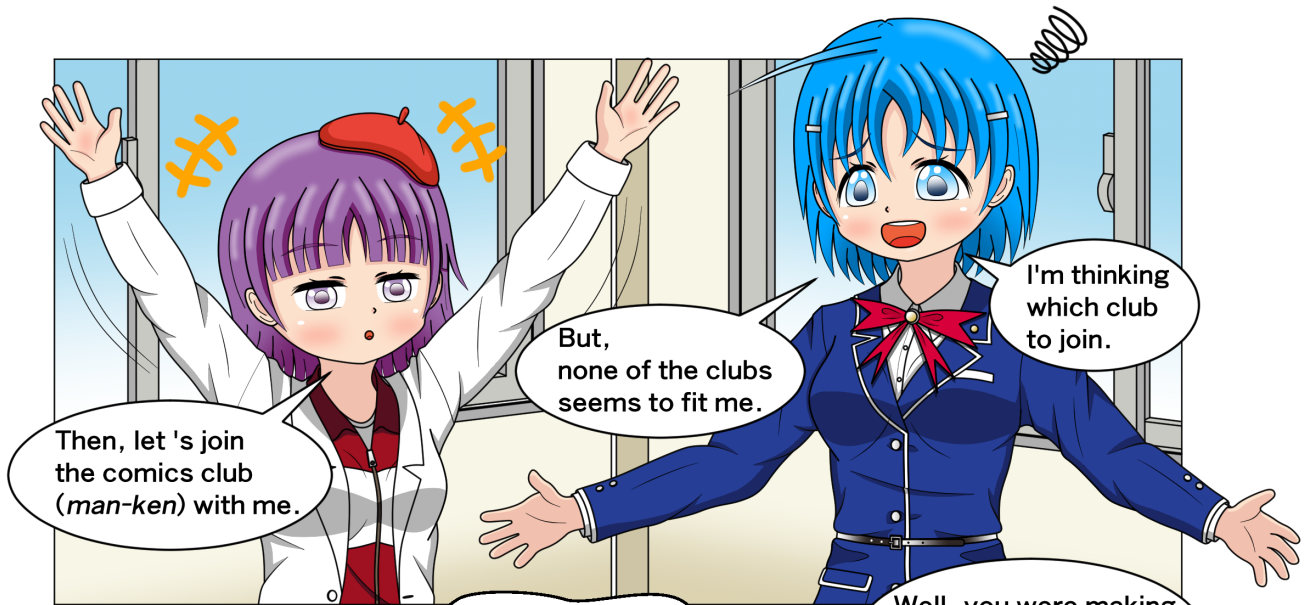

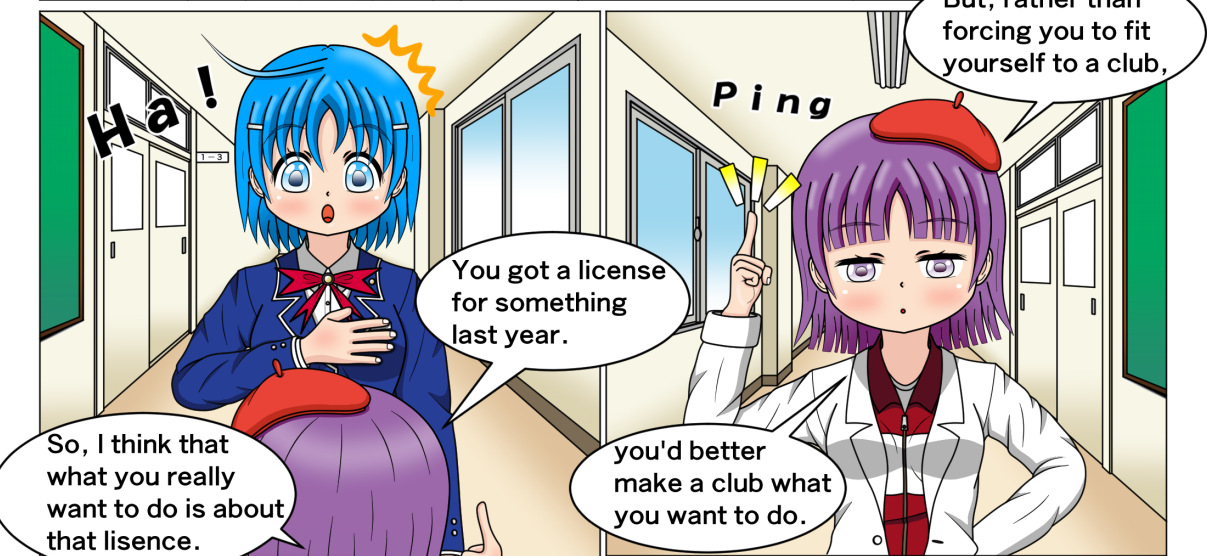

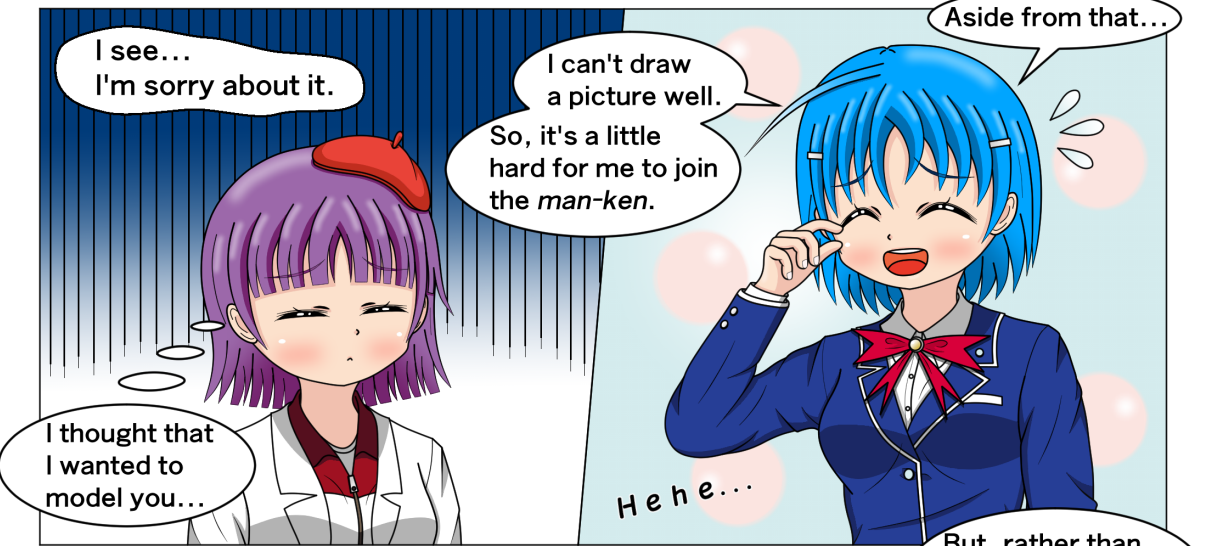

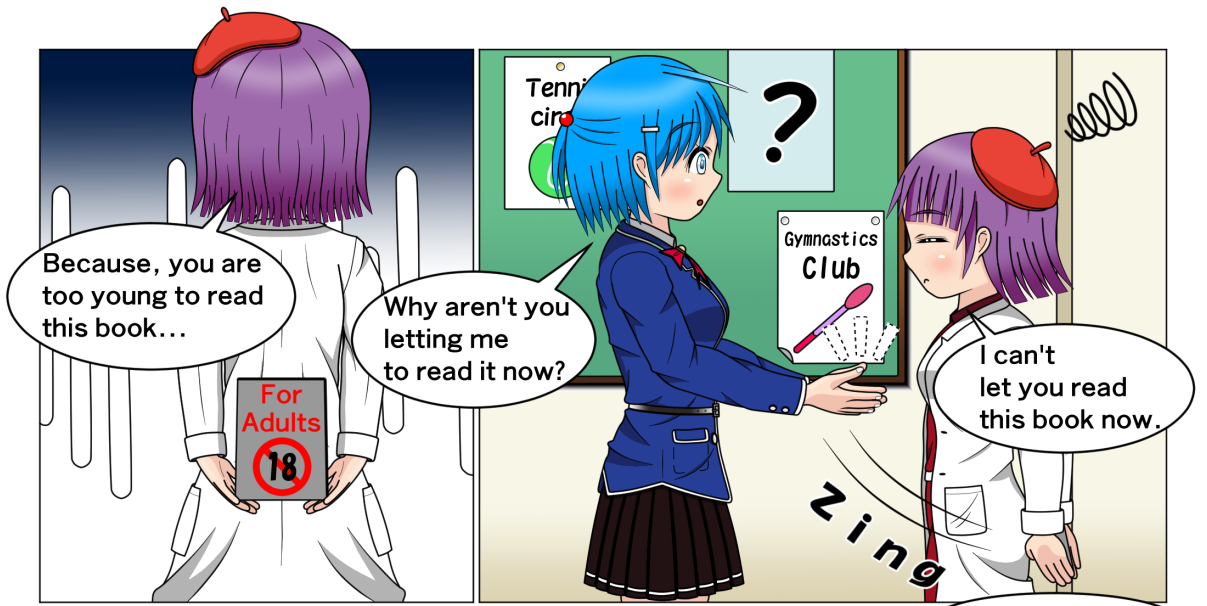

There are lots of clubs, but what clubs are fitted for me?

As a specialist in
intellectual property,
Japanese patent
attorneys are mission

to devoting their efforts
to the correct operation
of the intellectual
property system,

and contributing to
the development of
the economy and industry
(Patent Attorney Act Art.1).

I'd like to
become such a
"patent attorney".

Um, I think that
there are no clubs
that can utilize
that so-and-so.

Please remember that
as a "patent attorney"...
